**MINISTRY OF EDUCATION AND RESEARCH  
“OVIDIUS” UNIVERSITY OF CONSTANTZA  
FACULTY OF CIVIL ENGINEERING**

Mr/Mrs,

.....

The Faculty of Civil Engineering publishes *“Ovidius” University Annals – Series: Civil Engineering, Year VIII (2006)*. Taking into account your well-known research activity in the field of civil engineering, we invite you to publish articles in our magazine.

Looking forward to your answer, we would kindly ask you to send us your papers until **1<sup>st</sup> October 2006**, on our address for correspondence.

Dean,  
Prof. PhD. Eng. Virgil Breabăn,

**PUBLISHING CONDITIONS**

1. A person could participate with maximum **two** papers (as unique author, prime author or co-author).
2. The papers will be edited according to the detailed instructions in **the form** attached to this invitation. The authors are politely asked not to modify the settings of the form.
3. **The papers** will be written in English with the abstract both in English and in the author’s language. The papers will have an even number of pages (minimum 4 pages. – maximum 8 pages.), including graphics and references.
4. **The authors** which receive this form by e-mail are required to directly use this form as a pattern.
5. **The forms and the papers** will be sent by the date of **1<sup>st</sup> October 2006**, by e-mail: ce\_2004@univ-ovidius.ro or by mail (one copy on paper support and also on floppy disk).
6. **The papers** sent after the dead line and those that do not satisfy the edit instructions, will not be published.
7. **The scientific committee** reserves itself the right to announce, if necessary, which papers haven’t been accepted for publishing and the reasons for that.
