

REFERENCES

The Nile Basin, vols I–XI

Because the various volumes and supplements of *The Nile Basin* have been quoted frequently, and the authors vary, the volumes are listed here in sequence.

- The Nile Basin*, vol. I (1931) *General Description of the Basin, Meteorology, Topography of the White Nile Basin*. Government Press, Cairo.
- The Nile Basin*, vol. II and supplements 1–13 (1932–date) *Measured Discharges of the Nile and its Tributaries*. Government Press, Cairo.
- The Nile Basin*, vol. III and supplements 1–13 (1933–date) *Ten-day Mean and Monthly Mean Gauge Readings of the Nile and its Tributaries*. Government Press, Cairo.
- The Nile Basin*, vol. IV and supplements 1–13 (1933–date) *Ten-day Mean and Monthly Mean Discharges of the Nile and its Tributaries*. Government Press, Cairo.
- The Nile Basin*, vol. V (1938) *The Hydrology of the Lake Plateau and Bahr El Jebel*. Government Press, Cairo.
- The Nile Basin*, vol. VI and supplements 1–11 (1943–date) *Monthly and Annual Rainfall Totals and Number of Rainy Days at Stations in and near the Nile Basin*. Government Press, Cairo.
- The Nile Basin*, vol. VII (1946) *The Future Conservation of the Nile*. Government Press, Cairo.
- The Nile Basin*, vol. VIII (1950) *The Hydrology of the Sobat and White Nile and the Topography of the Blue Nile and Atbara*. Government Press, Cairo.
- The Nile Basin*, vol. IX (1959) *The Hydrology of the Blue Nile and Atbara and of the Main Nile to Aswan, with some Reference to Projects*. Government Press, Cairo.
- The Nile Basin*, vol. X (1966) *The Major Nile Projects*. Government Press, Cairo.
- The Nile Basin*, vol. XI (1978) *The Hydrology of the Sadd El Aali, and Other Topics*. Government Press, Cairo.
