

## **Programme for HELPING on-line conference 26 November 2024**

13-16 CET, including short sanity breaks

### **Draft Agenda**

#### Part 1: Overarching updates:

- HELPING initiative goals, reporting and community writing experience (Berit)
- Knowledge co-creation process with stakeholders (TBC)
- Getting the WG running:
  - ✓ Principles and guidelines document (Justin)
  - ✓ Good example of working procedures in previous scientific decade (Ana)
- Overall discussion [10 mins]

#### Part 2: Inspiring presentations of progress in 10 selected WGs

- Science questions, methods and procedures, work in progress or results

#### Part 3: Parallel discussions per Theme (online breakout rooms, Chaired by Theme leaders)

- Potential joint outputs per Theme (e.g., perspective/opinion papers, collected case studies, examples of applied science with link to the Digital Water Globe)
- Interactions between individual WGs
- Further facilitation needs for progressing the WGs (?)

#### Part 4: Plenary session:

- Reporting from breakout rooms (Theme leaders)
- Closure and update on the IAHS Roorkee conference in 2025 (Berit)
