

Panta Rhei at AGU 2016 Fall Meeting

Dear IAHS members,

The AGU 2016 Fall Meeting is fast approaching, and we have an official Panta Rhei session on Friday 16th December:

*H51M, H53K, H53B. **Hydrology, Society, and Environmental Change: Coupled Human-Water Dynamics across Scales.** Friday, 16 December 2016, Orals: Room 3016, 08:00 - 10:00 and 13:40 - 18:00, Posters: 13:40 - 15:40 Moscone South*

Please join us for this successful session with 14 oral presentations and 25 poster presentations.

Our invited speakers, each giving 30 minute presentations, are Prof. Nandita Basu speaking on “*Monsoon Harvests: The Socio-Ecohydrology of Agricultural Rainwater Harvesting and Groundwater Depletion in India*” and Prof. Sally Thompson speaking on “*What hydrological dynamics emerge from the interaction of land conversion and flood levee construction?*”.

Hope to see you there!

Hilary McMillan, Panta Rhei Chair 2015-2017
